Office Information

Office Address: 2702 1/2 N. Proctor St., Suite B, Tacoma, WA 98407

Please note, my office is located on the second floor. The building does not have an elevator.

Free two-hour street parking is located on N. Proctor St. and the adjoining side streets. The office is located upstairs above the Pacific Northwest and Colors Stores. The street entrance on N. Proctor St. opens to the staircase. Look for "Skill for Mind" and you will know you are entering through the correct door. My office is at the top of the stairs to the right, the door that reads "Skill for Mind". Please disregard the "In Session" sign as it just opens into the waiting area.

I share space with a mindfulness practice called "Skill for Mind." Although we share space, classes will NOT be occurring during your visits. When classes are held, my waiting room is their studio. Since students use the floor for these classes, one way I support their practice is by requesting that my clients not wear outside shoes as they pass through the waiting area to my office. Outside shoes are fine when entering the space, in the restroom area, (which is to the left side of the waiting area), as well as in my office. There is a shoe rack and loaner slippers provided if desired. I leave it up to the individual as to what they are most comfortable with (i.e. barefoot, socks, using loaner slippers, bringing their own inside shoes, etc.).

Thank you!

Steve L. Franks, M.A., LMFT
